On Going Virtual Walk Around The World

Greeting Sisters!

Stiletto Warriors invite you to go on a virtual walk for violence joining sisters from around the world.. For the abused sisters who cannot walk, we are putting on our heels and walking for them, praying for them. Enough crying for them. Too many sisters are living in abuse shelters and living apart from their children. This is a fund raiser to raise awareness and funds to stop the violence now. \$1.00 to sign up. Any donation is welcome. I know what it felt like to walk through abuse alone. Stiletto Warriors: walking to save lives. A portion of the funds raised will open an abuse shelter for mother and all her children. Now help me help women walk out of abuse, out of bondage, and into freedom.
